What is the show about?

A loving send-up of the 1960s, small-town America, teenagers, and rock & roll, **BYE BYE BIRDIE** remains as fresh and vibrant as ever. Teen heartthrob Conrad Birdie has been drafted, so he chooses all-American girl Kim McAfee for a very public farewell kiss. Featuring a tuneful high-energy score, plenty of great parts for kids, and a hilarious script, **BIRDIE** remains one of the most popular shows in schools across the country. Hit songs include "Put on a Happy Face," "One Last Kiss," "One Boy," "A Lot of Livin' to Do," "Kids!" and "Rosie."

What is a youth workshop?

Our youth workshops are designed to fully prepare the participants for their final production through an extended rehearsal period. During their rehearsals, the participants are not only learning the material for the performance but also participating in theatre games and activities that are fun, exciting and educational. The children will walk away with a knowledge of basic theatre skills, self confidence, new friends and the experience of being in a full production under their belt.
